**INFORMATION DISCLOSURE STATEMENT**  
**UNDER 37 C.F.R. §1.97**

In accordance with the provisions of 37 C.F.R. §1.56, applicants hereby submit the attached PTO Form-1449, listing a reference which the patent examiner is requested to consider and make of record in the above-identified application. A copy of the listed reference is enclosed herewith. This submission is believed to be in full compliance with the requirements of 37 C.F.R. §1.98.

In the opinion of the undersigned, the reference listed on the attached PTO Form-1449, together with the references identified in the Request for Listing of References which is submitted herewith, are the most pertinent of which the undersigned is aware. However, no representation is made or intended that more pertinent references do not exist.

This submission is not an admission that the references listed on the attached Form PTO-1449 constitute prior art against the claims of this application.

The Examiner is respectfully requested to confirm receipt and consideration of the cited references by initialing and returning a copy of the attached Form PTO-1449 in accordance with MPEP §609.

Early and favorable consideration of this application is respectfully requested.

Respectfully submitted,

DANN DORFMAN HERRELL and  
SKILLMAN, P.C.

**REQUEST FOR LISTING OF REFERENCES**

Applicants(S) in the above-identified application are submitting herewith two PTO Form 1449s, listing references that were made of record and considered in the Parent US Application No. 10/359,400, filed February 5, 2003, and U.S. Grandparent Application No. 09/547,607, filed April 12, 2000, now US Patent 6,541,472.

It is respectfully requested that the references included in the 1449s submitted herewith be listed on the face of the patent granted on the above identified application, in accordance with the following provision of the Manual of Patent Examining Procedure:

The Examiner will consider information which has been considered by the Office in a parent application when examining a continuation or continuation-in-part application (See MPEP 201.06(b) which is not a file wrapper continuation application , **and a list of the information need not be submitted in the continuation or continuation-in-part application unless applicant desires the information to be printed on the patent** [emphasis added]).

In the event any fee is due in connection with the consideration of this request, the Commissioner is authorized to charge any such fee to the account of the undersigned attorneys, Deposit Account No. 04-1406.

Respectfully submitted,
